“Yes, I do feel at home at **APhA**. The organization fosters a welcoming and inclusive environment where pharmacists from all backgrounds can share ideas, collaborate, and grow together. The sense of community and shared purpose makes it feel like a professional home.”

Blessing I. Ali, PharmD.
Grad Pharmacist Intern.

“Regardless of your practice setting, **APhA is an organization for all pharmacists**, in addition to being a leader in advocating for our profession while providing a community to engage in as we navigate our careers and the ever-changing nature of our profession.”

—Christine Nguyen, PharmD.
Regional Director of Pharmacy, North West Food and Drug Division.
